

# the peach

chenin blanc | viognier

## TASTING NOTES

The Peach has a golden colour. Viognier adds lovely ripe peach aromas to the nose, while Chenin blanc gives the fullness and mouthfeel. A medium bodied, creamy wine that finishes with good length and a lingering aftertaste of honey and peaches on the palate.

A complex wine that is best served chilled in a relaxed environment and enjoyed with lunch, sundowners or dinner.

Notice: No peaches were used, abused or mistreated during the winemaking process.

Food Suggestions: Salads, seafood, grilled fish or chicken, roast vegetables, pork, light Thai or Indian curries.
