

the peach

chenin blanc

TASTING NOTES

The object with The Collection range is to offer excellent quality wines at a fair price. The packaging is eye catching and also allows the customer a peak at the intriguing flavour profile.

The Peach has a golden colour. Lovely peach flavours to the nose, with the typical fullness and mouthfeel of ripe Chenin Blanc. A medium bodied, creamy wine that finishes with good length and a lingering aftertaste.

Notice: No peaches were used, abused or mistreated during the winemaking process.

Food Suggestions: Salads, seafood, grilled fish or chicken, roast vegetables, pork, light Thai or Indian curries.
